Public Engagement Webinar Proposed 2016-2017 Diversity Actions

What is the Diversity Action Team? What are the opportunities and...
How can **YOU** be part of it?

Join the webinar to hear the Chesapeake Bay Program's Diversity Action Team proposed plans to engage and serve diverse groups in the Chesapeake Bay watershed.

*Let your **voices** be heard!*

HIGHLIGHTS

Increasing diversity in the environmental field important to you?

Learn about the initiative and how you can be part of it.

Looking for networking or career opportunities?

Learn about how we're working to create more meaningful opportunities for residents in the watershed.

Concerned about environmental justice?

Hear about our efforts to help communities improve their neighborhoods.

Do you fish for sport or sustenance?

Learn about how we're proposing to address toxic fish consumption in vulnerable communities.

Have a suggestion?

Participate in the webinar. Let us know how we can connect with you!
