## **AGENDA**

**10:00 am**      **Welcome and Introductions** – *Alana Hartman*

**10:05 am**      **2012 Progress Update**

- Progress calendar
- Cross-jurisdictional issues
- Questions from jurisdictions – Please bring your questions about 2012 Progress reporting if you feel other will benefit from discussing them.

**10:20 am**      **Prioritizing improvements to MAST/CAST/VAST** – *Olivia Devereux and Jessica Rigelman*

- Devereux and Rigelman will provide updates on the following two tasks:
  - Improvements to the user interface
  - Improved agreement of loads with the Watershed Model
- WTWG members are asked to review the Priorities Set by Jurisdictions document (Attachment 1) prior to the meeting and be prepared to discuss these priorities and any other new priorities the states would like to propose.

**11:20 am**      **Recommended Reporting Requirements for Stormwater BMPs** – *Matt Johnston*

- Johnston will discuss a list of reporting elements that will likely be required in order to track urban stormwater BMPs for 2013 Progress and beyond. These reporting requirements are a significant departure from the current urban stormwater BMP reporting requirements.
