

Oyster BMP Expert Panel Open Stakeholder Session
Monday, November 2, 2015
9:30 AM – 12:00 PM

Location:

Joe Macknis Memorial Conference Room – Fish Shack (Green Building)
410 Severn Avenue, Suite 117
Annapolis, MD 21403

Parking for in-person attendees

There is ample free street parking available in the surrounding area, but allow for extra time to park and walk one or more blocks (extra 10 minutes). Obey posted signs, fire lanes or other restrictions. Paid parking is available on-site at the City Marina for \$3/hr or \$20/day maximum.

Entering the conference room

The conference room (Suite 117) is located in the green building at the City Marina (410 Severn Avenue). The doors automatically lock and cannot be propped open or unlocked. If nobody is there to let you in you can ask for assistance at the front desk in Suite 112, which is not locked.

Webinar & Audio Info:

Please note that the audio during this meeting may be recorded.

Log-in instructions: Shortly before the meeting begins, you can join the web meeting using the Global Meet web link that was e-mailed to you during registration. If you have not used Global Meet in the past, it is recommended that you log in before the meeting to allow time for any updates that may have to be installed beforehand.

Global Meet Instructions:

- During the day of the meeting, click on the Global Meet web link that was e-mailed to you confirming your registration.
 - If you did not RSVP for the meeting then please register at <http://www.oysterrecovery.org/oyster-bmp-expert-panel-public-stakeholder-meeting/>. The log in information will be e-mailed to you.
- Download current version of Adobe, if the message pops up.
- Select “Enter as a Guest” option and fill out your first and last name and e-mail. Click on Join Meeting. Wait a couple of seconds.
- Enable popups if that message appears.
- In the audio window, we recommend you choose either “Call my Phone” or “Call my Computer”
 - You can enter your phone # to call into the meeting (your office or cell phone number, for instance). The meeting will call you (appears as an Ohio number). When answering the phone you will be asked to press 1 to join the meeting.
 - If you are unable to hear audio after the webinar begins, please double-check your computer audio settings, speakers or headphones to ensure your audio is not muted.
 - Please only select one audio option. Choosing more than one will cause feedback and it will be difficult to hear.
- You should now be able to view and hear the meeting.
 - Remote participants will be able to **submit typed questions to the presenters using the Q&A button**. Only presenters, panel members, and those in the room will be un-muted. Apologies for any inconvenience, but this helps prevent disruptions to the meeting.
- If there are any **technical issues** with viewing or hearing the meeting, then please notify the host using the **public chat box**.

RSVP/Registration URL: <http://www.oysterrecovery.org/oyster-bmp-expert-panel-public-stakeholder-meeting/>

Any messages prior to or following the meeting will be directed to registered participants.

Meeting Materials: <http://www.chesapeakebay.net/calendar/event/23104/>

Meeting Objectives:

- Provide context on the goals of the Oyster BMP Expert Panel to stakeholders and expert panel members.
- Provide the opportunity for stakeholder input to the panel in the form of presentations or discussion that will help inform their evaluation of water quality benefits – specifically nitrogen, phosphorus, and sediment reductions – associated with oyster practices in the Chesapeake Bay and its tributaries. The input requested may address, but is not limited to: data, policy and regulations, experiences with implementation, or tracking and reporting the practices for application toward nutrient and sediment reduction targets.

Schedule:
