

## OYSTER BMP EXPERT PANEL—WHO'S WHO

---

### Coordinators

---

**Julie Reichert-Nguyen**  
Fisheries Scientist  
Oyster Recovery Partnership (ORP)  
Annapolis, MD  
[www.oysterrecovery.org](http://www.oysterrecovery.org)

**Expertise:** Coordination/facilitation, Clean Water Act, TMDL program, water quality, fisheries science, climate change, ocean acidification

---

**Ward Slacum**  
Director of Program Operations  
Oyster Recovery Partnership (ORP)  
Annapolis, MD  
[www.oysterrecovery.org](http://www.oysterrecovery.org)

**Expertise:** Program management, oyster restoration, environmental monitoring, fisheries ecology

---

### Panel Chair/Panelist

---

**Jeff Cornwell**  
Research Professor  
University of Maryland Center for Environmental Science (UMCES)  
Horn Point Laboratory  
Cambridge, MD  
<http://www.umces.edu/hpl/people/jcornwell>

**Expertise:** Oyster filter-feeding/nutrient cycling dynamics/modeling, sediment biogeochemistry, oyster ecology/population dynamics

---

## Panelists

---

**Suzanne Bricker**

Physical Scientist, National Estuarine Eutrophication Assessment Manager  
NOAA, National Centers for Coastal Ocean Science N/SCI  
Silver Spring, MD

*Expertise: Nutrient-related water quality research, oyster/nutrient cycling modeling*

---

**Lynn Fegley**

Fisheries Service Deputy Director  
Maryland Department of Natural Resources, Fisheries Service  
Annapolis, MD

*Expertise: Fisheries management*

---

**Karen Hudson**

Shellfish Aquaculture Specialist  
Virginia Institute of Marine Science (VIMS)  
Gloucester Point, VA

[http://www.vims.edu/about/directory/staff/ HUDSON\\_k.php](http://www.vims.edu/about/directory/staff/ HUDSON_k.php)

*Expertise: Shellfish Aquaculture*

---

**Lisa Kellogg**

Assistant Research Scientist  
Virginia Institute of Marine Science (VIMS)  
Gloucester Point, VA

*Expertise: Oyster reef ecology and restoration, oyster filter-feeding/nutrient cycling dynamics*

---

## Panelists Cont.

---

**Andy Lacatell**  
Conservation Specialist  
The Nature Conservancy  
Richmond, VA

**Expertise:** *Oyster restoration*

---

**Mark Luckenbach**  
Professor of Marine Sciences; Associate Dean of Research and Advisory Services  
Virginia Institute of Marine Science (VIMS)  
Gloucester Point, VA  
[http://www.vims.edu/people/luckenbach\\_mw/](http://www.vims.edu/people/luckenbach_mw/)

**Expertise:** *Oyster ecology and restoration; interactions between shellfish aquaculture and the environment; land-use practices and water quality in tidal water environments*

---

**Chris Moore**  
Senior Scientist  
Chesapeake Bay Foundation Hampton Roads Office  
The Brock Environmental Center  
<http://www.cbf.org/about-cbf/offices-operations/hampton-roads-virginia/contact>

**Expertise:** *Fisheries/oyster restoration, oyster aquaculture, water quality, implementation of Chesapeake Bay TMDL, BMP review*

---

**Matt Parker**  
Aquaculture Business Specialist  
Sea Grant at University of Maryland  
Prince George's County Office  
Clinton, MD

**Expertise:** *Oyster aquaculture, business planning*

---

## Panelists Cont.

---

### **Ken Paynter**

Associate Professor; Director-Marine, Estuarine, Environmental Sciences Program University of Maryland  
College Park, MD

<http://www.life.umd.edu/biology/paynterlab/>

*Expertise: Oyster restoration, oyster biology/population dynamics*

---

### **Julie Rose**

Research Ecologist  
NOAA National Marine Fisheries Service  
Northeast Fisheries Science Center, Milford Laboratory  
Milford, CT

<http://nefsc.noaa.gov/nefsc/Milford/staff/rose.html>

*Expertise: Nutrient bioextraction, marine spatial planning for shellfish activities, aquaculture-environment interactions*

---

### **Larry Sanford**

Professor  
University of Maryland Center for Environmental Science (UMCES)  
Horn Point Laboratory  
Cambridge, MD

<http://www.umces.edu/hpl/people/lstanford>

*Expertise: Coastal physical oceanography, sediment transport, oceanographic instrumentation*

---

### **Bill Wolinski**

Environmental Engineer  
Talbot County Department of Public Works  
Easton, MD

*Expertise: Watershed Implementation Plans, BMP implementation, water quality*

---

## Panel Advisors

---

**Lew Linker**  
Modeling Coordinator  
U.S. EPA Chesapeake Bay Program Office  
Annapolis, MD

**Panel Role:** *Chesapeake Bay Modeling Team Representative*

---

**Jeff Sweeney**  
Nonpoint Source Data Manager  
U.S. EPA Chesapeake Bay Program Office  
Annapolis, MD

**Panel Role:** *Watershed Technical Workgroup (WTWG) Representative*

---

**Ed Ambrogio**  
EPA Region III  
Philadelphia, PA

**Panel Role:** *EPA Region III Representative*

---

**Lucinda Power**  
Watershed Implementation Plan Specialist  
U.S. EPA Chesapeake Bay Program Office  
Annapolis, MD

**Panel Role:** *Water Quality Goal Implementation Team Representative*

---

**Rich Batiuk**  
Associate Director for Science, Analysis and Implementation  
U.S. EPA Chesapeake Bay Program Office  
Annapolis, MD

**Panel Role:** *BMP Verification Advisor*
