

# ENSURING ONGOING SUPPORT FOR ENVIRONMENTAL LITERACY GOAL AND OUTCOMES

PRESENTATION TO CBP PSC

---

DECEMBER 13, 2016

# What we hope to achieve

---

- Encourage state departments of education to include environmental literacy in their plans for the Every Student Succeeds Act to meet CBP EL outcomes
- Continue to engage cabinet level representatives from state departments of education in the environmental literacy work of the Chesapeake Bay Program

# Environmental Literacy Goal

---

GOAL: Enable students in the region to graduate with the knowledge and skills to act responsibly to protect and restore their local watershed

## OUTCOMES:

- Student MWEEs
- Sustainable Schools
- Policy & Metrics

# Leadership Summit

---

Held April 20, 2016 at the Phillip Merrill Center

## Purpose:

*To explore how states can assist school systems in creating and sustaining high-quality EL programs as part of ongoing education reform and to meet Chesapeake Bay Watershed Agreement commitments.*

*To examine opportunities provided by the environmental education provisions of the recently enacted Every Student Succeeds Act to support state and local environmental literacy programming.*

# Summit Take Aways

---

- Each state is committed to advancing EL in a way that takes advantage of state specific priorities and respects the unique educational system of that state.
- US Department of Education has opportunities to advance this work in the new Every Student Succeed Act and would like to work with partners to explore these opportunities.
- Call for CBP to convene these leaders regularly to learn from each other and hold each other accountable.

# Every Student Succeeds Act

---

- Signed December 10, 2015
- Replaces No Child Left Behind
- Includes key language for environmental education
- Passed through both Chambers with overwhelming bipartisan support

# Title IV of ESSA: 21<sup>st</sup> Century Schools

---

## ***Part A: Student Success and Enrichment Activities***

New \$1.6B (authorized) grants program to support a range of “well rounded education” activities, including environmental education.

# Title IV of ESSA: 21<sup>st</sup> Century Schools

---

## ***Part B: 21<sup>st</sup> Century Community Learning Centers***

Existing \$1B grant program that supports schools and/or school district partners for after school and out-of-school programs, including environmental literacy programs.

# Management Board Recommendations...

---

- Send a letter from PSC to education leaders to follow up on ESSA conversation at Leadership Summit (before March 2017 deadline for ESSA accountability plan)

For the future...

- Consider revising Education Directive 98-1 to reflect Watershed Agreement and reinvigorate participation of state departments of education in the Bay Program
