Dear Dr. Little,

If the proposal submitted by you and your colleagues entitled “Physically-based, spatially-resolved economic and watershed models: Coupling human and natural systems” is selected for funding by the National Science Foundation Dynamics of Coupled Natural and Human Systems (CNH) Program, members of the Citizen’s Advisory Committee will serve on your stakeholder team, as described in the Project Description and Management Plan of the proposal.

Sincerely,

Paula Jasinski
Chair, Citizens’ Advisory Committee
