

CAST VERSION

- Current Version is 2017d and is used for the 2017 to 2019 Milestone period
- Next version will be 2019 and will be used for the 2020 to 2021 Milestone Period

The image shows the user interface of the Chesapeake Assessment Scenario Tool. At the top, there is a header with a logo on the left, the title "Chesapeake Assessment Scenario Tool" in the center, and user information "olivia@devereuxconsulting.com", "Manage Profile", and "Log Off" on the right. Below the header is a navigation menu with links: HOME, SCENARIOS, RESULTS, COST PROFILES, HOW TO, ABOUT, ADMIN, and CONTACT US. The main content area is titled "ADD SCENARIO" and contains several form fields and buttons. At the top of this section are buttons for "Save", "Copy Existing Scenario Without BMPs", and "Cancel". On the right side, there is a "View Documentation" button with a camera icon. Below these buttons, a red circle highlights the text "Version: CAST-2017d" with a help icon. The form fields include: "Scenario Name" (required), "Base Year" (required, dropdown menu), "Base Condition" (required, dropdown menu), "Scenario Description" (required, text area), "Wastewater Data Set" (required, dropdown menu), "BMPs Available" (required, dropdown menu), and "Cost Profile" (required, dropdown menu).
