

CHESAPEAKE BAY PROGRAM
WATER QUALITY GOAL IMPLEMENTATION TEAM
ACTIONS AND DECISIONS | MARCH 23, 2020
Meeting Materials: [Link](#)

Decision: The WQGIT approved Gary Felton (UMD) as the new Agriculture Workgroup Chair.

Decision: The WQGIT approved the Wetland BMP Panel and Memo via email on March 18, 2020.

Action: Hilary Swartwood will edit the timeline in the WQGIT February Actions and Decisions so that it reads “PSC meeting, final climate decisions.” Additionally, the full timeline from the WQGIT February Actions and Decision shall be added to the proposed timeline from the March meeting.

Decision: The WQGIT approved the Agricultural Ditch BMP Expert Panel Report and Recommendations with full consensus.

Action: At the April 27, 2020 WQGIT meeting, Emily Trentacoste will provide more information on the development of jurisdictional specific outreach for nutrient and sediment trends data.

Action: The CAST team will continue to address state-specific concerns for CAST 2019 and will present the updates for final approval at the April 27, 2020 WQGIT meeting.

Decision: The WQQGIT approved the new land use classification for elevation to the Management Board for final approval.
