

Agricultural Modeling Subcommittee  
Conference Call  
March 9<sup>th</sup>, 2016  
2:00 – 4:00 PM

Meeting Agenda

Conference line: 866-299-3188 Code: 410-267-5731#

Webinar link: <https://epawebconferencing.acms.com/ams/>

2:00 PM      **Introductions**

2:05 PM:      **Tentative: Proposed DRAFT approach for setting application rates in Scenario Builder based, in part upon nutrient management acres – Frank Coale**

Frank will discuss a new approach to representing nutrient applications in Scenario Builder, to be included in the July calibration run.

DECISION: The AMS will be asked to approve the proposed approach for modeling nutrient applications in the July beta version.

3:10 PM      **Discussion of comments received on Phase 6 Scenario Builder documentation – Matt Johnston, Curt Dell**

Matt and Curt will provide an overview of the comments received from the Partnership on the Phase 6 Scenario Builder documentation, and the AMS will work to prioritize the feedback.

3:45 PM      **Homework assignments, follow-up conference calls**

4:00 PM      **Adjourn**
