

# Nutrient Management Phase 5

## Panel Report Next Steps

# Timeline

- June 25: Report posted – 20 day Partnership review and comment period **begins**
- July 1: Webinar briefing on report content
- July 16 AgWG call: AgWG discusses report – comment period **closes**
- Late July: Panel responds to comments
- Early August: Revised report and response to comments posted 10 days in advance of 8/20 AgWG call
- Early August: Tentative 3<sup>rd</sup> webinar to review 1) panel response to comments, and 2) any changes made to the report
- August 20 AgWG call: Tentative date for AgWG approval

# Partnership Review & Comment Period

- **June 25 - July 16, 2015**
- Opportunity for Advisory Committees and other interested groups to comment
- Submit comments to [broshc@vt.edu](mailto:broshc@vt.edu) with CC to [mdubin@chesapeakebay.net](mailto:mdubin@chesapeakebay.net) and [egiese@chesapeakebay.net](mailto:egiese@chesapeakebay.net).
- Comments should be provided in track changes format to the extent possible, other written comments should reference the applicable section(s) of the report

# Response to Comments

- Per WQGIT BMP protocol:
- The Panel will develop a “response to comments”, which will be included as an appendix to the final report.
- Specific response will **not** be provided for:
  - Overlapping comments (one response will be provided)
  - Comments outside the scope of the Panel or demonstrate no relevancy to the report’s findings
  - Editorial changes, such as grammatical edits

# Webinar details
