Land Use Subgroup			Area of Expertise Subgroup		
Cropland	Nursery	Pasture	Academic Research and Monitoring	Programmatic	Modeling
20	3	8	14	9	7

- ▶ All panelists and interim invited WTWG modelers are now members of one or more subgroups.

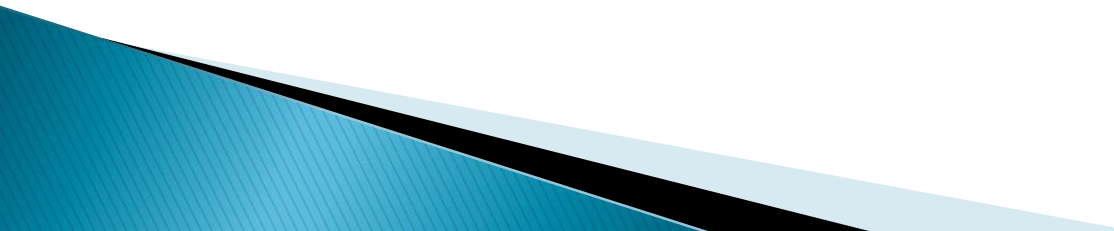

Subgroup Activities

- ▶ Majority of panel activities will be occurring in smaller subgroups
 - ▶ Modeling subgroup has been expanded to include additional jurisdictional modeling representatives on an interim basis
 - ▶ Modeling subgroup will be reviewing an interim proposal for representing NM as an efficiency
 - ▶ Modeling sub-group conference call has been scheduled for Friday, March 9 with the CBPO modeling team
- 

Subgroup Activities

- ▶ Nursery subgroup has been actively engaged in a review of existing nursery data and identifying opportunities for improved reporting
 - ▶ Cropland subgroup will be scheduling a conference call to select a chair and develop a scheduled process for reviews
- 

Tetra Tech SharePoint Site

- ▶ Site will be migrated to a new server during March 10–11
 - ▶ The migration will make existing Panel member access information obsolete
 - ▶ Tetra Tech will notify Panel members when completed and provide updated access information
-
