### AGENDA

**1:00 PM Introductions and Announcements** (*Scott Phillips – USGS*)

**1:10 PM Reallocation of monitoring funds to the Nontidal Network based on the Management Board Decision and EPA gap-filling funds** (*All Participation*)

- I. Jurisdictional strategies for operation under these funding levels
- II. identify sites that are recovered through the addition
- III. identify sites that are partially recovered-- may need additional help from USGS
- IV. identify sites that are lost under this scenario
- V. Identify sites that were maintained due to jurisdictional stepping up and carrying a greater load
- VI. identify areas where USGS can fill a gap for the next 12 months

**Action Requested:** *Review revised FY2013 monitoring funding for the Nontidal Network (Nontidal Reduction Targets Aug 14 2013.xlsx) and propose reallocation of recovered EPA funds under each jurisdiction.*
