9:45 AM

Discussion of Process for Decision Making, *Elliott Kellner (WVU), Chair and Vanessa Van Note (EPA), Coordinator*

- Discussion about the process for making recommendations, voting on recommendations, and where the recommendations will progress to following the approval within the Ad-Hoc Team. The BMP Verification Ad Hoc Action Team leadership is seeking feedback, discussion, and agreement on the process.

10:15 AM

“Alternatives to a one-size fits all approach”: MD Verification Program, *Jason Keppler (MDA)*

- Presentation on what has worked well for MD in the development and implementation of their verification program and associated procedures.
- This presentation was suggested at the direction of the MB.

Action: If there is interest, we would like other jurisdictions to also share the specifics of their verification program with the wider audience in future meetings. (What works well, where the needs are, what tools are being utilized to accomplish verification, etc.)

10:45 AM **The Credit Duration Task**, *Elliott Kellner (WVU), Chair and Vanessa Van Note (EPA), Coordinator*

- Brief presentation on specific BMPs brought to light for reevaluation of credit duration and a proposed method for how to reevaluate these credit durations.
- Open discussion to obtain clarity in the direction of the group and the “products” the group intends to recommend.

Action: Contributions to this task from those members who requested evaluation of specific BMPs is requested, including but not limited to, best available science regarding that credit duration and an ideal numerical value for the credit duration itself.

11:30 AM **Meeting adjourns**
