

CBP Vision Statement: The Chesapeake Bay Program partners envision an environmentally and economically sustainable Chesapeake Bay watershed with clean water, abundant life, conserved lands and access to the water, a vibrant cultural heritage and a diversity of engaged citizens and stakeholders.

Current GIT 6 Mission Statement: Continually improve the leadership and management of the CBP and assist watershed partners and stakeholders in building their capacity to become environmental leaders in their community.

Revised GIT 6 Vision Statement: Providing the strategic framework necessary for the Chesapeake Bay Program partnership to be a leader in watershed restoration by achieving the goals and outcomes of the Chesapeake Watershed Agreement.

Revised GIT 6 Mission Statement: The Enhance Partnering, Leadership and Management Goal Implementation Team assists in the continually improving and efficient operations of the Chesapeake Bay Program partnership by providing guidance on governance, ensuring that adaptive management practices are in place and implemented, engaging local leaders, and supporting the appropriate and transparent use of financial resources.
