This meeting may be recorded for internal use only to assure the accuracy of meeting notes. To turn on closed captioning, click on the three ellipses (More actions), then click on “Turn on live captions” (preview). To request accommodations, please contact Caroline Kleis (Kleis.Caroline@epa.gov).

Please read the following information carefully, as our meeting policies have changed:

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Teams. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Teams will be utilized to field participant questions.

Compromised Meeting Plan: If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

Purpose: To inform the FFWG of relevant announcements and to discuss next steps for the FFWG under the proposed Clean Water Goal Team Workgroup structure.

II. The Future Role of FFWG in CWGT Structure

(10:15-11:55)

Auston Smith, EPA, will recap the discussions held at the April and May CWGT meetings and the subsequent CWGT decision via email on the proposed workgroup structure under the CWGT. Auston will also note concerns received from FFWG members, and time will be made for participants to discuss potential paths forward.

Note: We will keep the full meeting time for discussion as needed. Should discussion naturally commence, we will end this meeting early.

Requested Action: Non-Decisional- FFWG Discussion & Recommendation

Lead: Auston Smith, EPA
