¹ BMP implementation targets are 2-year numeric projections of specific BMPs that are key to achieving the 2025 Federal Planning Goals. Providing these targets is an alternative to providing the numeric CAST scenario, as agreed to at the January 24, 2020 PSC meeting. See: https://www.chesapeakebay.net/channel_files/40423/iv.b_numeric_milestones_wqgit_approved_january_2020_clean.pdf

² BMP-supporting milestones are efforts that directly relate to building capacity for implementation of BMPs at federal facilities
