Webinar: <https://attendee.gotowebinar.com/register/2601499867127806979>

Materials: <http://www.chesapeakebay.net/calendar/event/24883/>

I. Introduction and Status Update (1:00-1:10pm)

- Bruce Vogt will provide an overview of the agenda and meeting goals.

II. What is the Biennial Strategy Review System? (1:10-1:20pm)

- Bruce and Kara will explain the Bay Program Biennial Strategy Review System and requirements for the Forage Action Team.

III. Workplan Progress (1:20-2:00pm)

- Emilie will present the revised Forage Strategy to the team and describe how we can follow the strategy framework to continue our progress.
 - Decision: Workgroup will vote to approve or revise strategy.
- Team members will provide updates on progress toward actions in the Workplan.

IV. Messaging and Opportunity (2:00-2:50pm)

- Bruce will facilitate an open discussion session where team members identify key messages and suggest areas where the Chesapeake Bay Program's Management Board can enhance our efforts.
- Decision:
 - Agree to one or more requests to propose to the Bay Program's Management Board

V. Meeting Recap (2:50-3:00pm)

- The team will note the follow-up process after the meeting and designate actions to continue developing materials and information for the upcoming Strategy Review System meeting.
