9:00 am **Welcome and Introductions** Rebecca Hanmer, Chair

9:10 am **GIT Funding Project Proposals** Sally Claggett and Katie Brownson, USFS

Sally and Katie will review the timeline and project ideas for the FY2020 GIT Funding process. An overview of the process and request for ideas can be found [here](#).

9:25 am **Review of Current Riparian Forest Buffer Workplan-** Sally Claggett, USFS and Carin Bisland, EPA

The Forestry Workgroup begins the second 2-year cycle of the Strategy Review System (SRS), reviewing barriers and progress with regards to our Riparian Forest Buffers Strategy and 2-year Workplan. There will be a series of deliverables and meetings leading up to an August presentation to the Management Board. After that, and all the feedback along the way, we will develop a new 2-year Workplan. You can find guidance on the SRS process on [Chesapeake Decisions](#).

10:15 am **Round Robin**

Please share events and accounts from where you are.
