Chesapeake Bay Program

Science. Restoration. Partnership.

Bay Watershed Agreement leading to 2025. A response has been drafted and recommendations from the report, [Charting the Course to 2025](#), will be presented.

12:00 Chesapeake Watershed Investments for Landscape Defense (WILD) – Faren Wolter (USFWS)

- The Chesapeake WILD Grants Program supports efforts to improve the condition and connectivity of fish and wildlife habitats in the Chesapeake Bay watershed. Faren Wolters will give an overview of the grant program and examples of successful proposals.

12:20 Day 1 Wrap Up & Meeting Adjourn

Additional Day 1 Event for those Attending in Person (Optional)

12:30 Field Trip

- We will be visiting a brook trout hatchery and repatriation site. Dillons Run is in the Cacapon River Watershed and is the focus of an ongoing brook trout repatriation project. This stream is approximately one hour from Leetown, WV. We will also be visiting the brook trout hatchery at Reymann Memorial Farms - West Virginia University Facility along Moores Run near Wardensville, WV. The hatchery is 20 minutes from Dillons Run.

DAY 2 AGENDA: [Click Here for Day 2 Meeting Materials](#)

9:00 Welcome & Summary of Day 1 – HGIT Co-Chairs Gina Hunt (MDNR) & Bill Jenkins (EPA)

9:10 Beyond 2025 Presentation – Anna Killius (CBC)

- The Beyond 2025 Steering Committee has been meeting monthly since June to discuss next steps for the Chesapeake Bay Watershed Agreement. Anna Killius, the Steering Committee's Co-chair, will give an update on those meetings and discuss how the Habitat GIT can be involved in the process.

9:40 Comprehensive Evaluation of System Response (CESR) Panel & Discussion – Denise Wardrop (CRC), Kirk Havens (VIMS), Andy Miller (UMBC), Kenny Rose, Bill Dennison, & Jeremy Testa (UMCES)

- There will be a short presentation on the [CESR Report](#) followed by a panel discussion.

10:40 Outcome Breakout Group Discussion

- Following the Beyond 2025 and CESR presentations we will breakout by workgroup to further discuss these topics in context of each habitat outcome.

11:20 Breakout Group Report Outs

- A spokesperson from each workgroup will report on what was discussed in their breakout sessions.

11:50 Meeting Wrap Up

12:00 Meeting Adjourn

Additional Day 2 Events for those Attending in Person

12:00 Lunch

1:00 USGS EESC Leetown Facility Tour

- Nathaniel (Than) Hitt will give a tour of his wet lab (brook trout) and then Chris Ottinger will give a tour of the Fish Health building.
