

The image is a vertical collage of three distinct visual elements. The top section shows the lower halves and hands of several people standing together, with a warm, golden-yellow color overlay. The middle section is a close-up of an old, textured map with various lines and place names, also featuring the same golden-yellow overlay. The bottom section shows a close-up of a brown leather bag with visible stitching and metal hardware, with a darker blue and yellow overlay. The text 'PEOPLE', 'PLACES', and 'THINGS' is printed in large, white, sans-serif capital letters across the three sections respectively.
