- 10:00 Welcome and introductions/Review of meeting minutes – K. Berger, MWCOG
The LUWG will be asked to approve the meeting minutes from the January 3rd meeting. Karl Berger will provide a brief overview of the agenda and goals for the meeting.
- 10:05 Documentation Expectations to Claim Land Use Planning and Land Conservation Actions – K. Berger, MWCOG
Karl Berger will lead a discussion on what sort of documentation will be required for jurisdictions to claim land use planning and land conservation actions toward their watershed restoration goals.
- 10:45 Verification of Land Use Planning and Land Conservation Actions – P. Claggett, USGS
Peter Claggett will lead a discussion on what the process could be for verifying land conservation and planning actions so that they may be credited towards jurisdictions' watershed restoration goals.
- 11:05 Future Scenario Production & Results – P. Claggett, USGS
Peter Claggett will update the workgroup on the status of developing the 2025 future land use scenarios, and will present initial results.
- 11:50 Use of Historic Trends Scenario as "worst-case" baseline – K. Berger, MWCOG
Karl Berger will lead a discussion on potentially restructuring the baseline 2025 land use scenario, based on the data Peter has presented on the Historic Trends and Current Zoning scenarios.
- 12:00 Adjourn
