### 9:30 Welcome, Introductions, and Updates

Mark Bryer

- FY15 GIT Funding
- GIT Chairs 10/29 Meeting
- Review of the Management Strategy and Workplan Timeline

### 9:45 Session on Healthy Watersheds 2-Year Workplan

Round robin style

Jurisdictions and federal partner representatives will each take 10-15 minutes to review the individual Workplan elements they have so far contributed to the preliminary draft of the Healthy Watersheds Workplan. They will also share with us the internal process they went through to determine their actions and performance targets for 2016 through 2017.

*Note: An attachment of the Draft Healthy Watersheds 2-Year Workplan will be sent in an email to GIT members and interested parties. Because it is an internal, preliminary draft, it will not be posted on the meeting's website page. The draft Workplan document will also be displayed on the Adobe Connect Webinar during the conference call.*

### 11:45 Short Break

### 11:55 Group Discussion – Healthy Watersheds 2-Year Workplan

After hearing from jurisdictions and federal partners, participants will share their reactions and thoughts on the draft Workplan. Below are some optional guiding questions for the discussion:

- What/who are we missing?
- Are there any “stretch” actions we can add?
- Are there two or more individual contributions that we can merge into one?

### 12:30 Group Discussion – Cross-GIT Workplan Collaboration

### 1:00 Adjourn
