

Chesapeake Bay Program
A Watershed Partnership

Maintain Healthy Watersheds GIT Conference Call

November 2nd, 2015

FY15 GIT Funding Update

- The GIT brainstormed a total of 8 project proposals for this year's EPA GIT funding cycle.
- Two out of the eight projects were selected to move forward with funding:
 - Healthy Watersheds Forest/TMDL Project (Phase II) - Pending refinement and revision prior to RFP release.
 - Evaluation of Land Use Policy Options, Incentives and Planning Tools to reduce the Rate of Conversion of Agricultural Lands, Forests and Wetlands.

Next Steps for GIT Funding

- | | |
|------------|--|
| October - | Selected Project Proposals are submitted to Chesapeake Bay Trust; RFP and sub-award process begins |
| December - | CBT completes sub-awards |
| January - | Technical leads meet with awardees to commence projects |

GIT Chairs 10/29 Meeting Update

- Review of Cross-GIT issue paper
- will be refined based on GIT
Chair feedback.
- Cross-GIT collaboration
framework
- Next steps: Coordinators and
Staffers meeting to review GIT
workplans and identify areas of
overlap and synergy
