

**Management Board Meeting
April 16, 2026
Actions and Decisions**

II. Finalize Management Strategy and Work Plan Templates

DECISION: The Management Board approved the Strategic Plan outline that includes the Management Strategies template and Workplan template (with minor change – changing ‘project’ to ‘activity’).

DECISION: The Management Board approved the timeline established for the Strategic Plan development including the Management Strategies release for public feedback from Tuesday, January 5, 2027 through Sunday, January 31, 2027. In June 2027, the Strategic Plan will be completed and approved by the PSC and the Workplans will be completed and approved by the Goal Teams.

III. Governance and Structure

ACTION: The Management Board should send feedback on the latest version of the Governance and Management Framework to Doug Bell (bell.douglas@epa.gov) by Tuesday, April 21st.

VI. Approve Plastics Pollution Action Team Chair

DECISION: The Management Board approved the new Chair for the Plastics Pollution Action Team, Tish Robertson, VA DEQ.

V. Announcements

DECISION: The Management Board agreed to change the status of the Workforce Action Team to the Workforce Workgroup. The necessary changes on chesapeakebay.net will be made to reflect this change.
