# Management Strategy (MS) Placeholders

- MS development period – revised based on MB Decision
  - Within **18 months** of revising the *Chesapeake Bay Watershed Agreement*, the Chesapeake Bay Program will update or develop Management Strategies for the Outcomes and their Targets that support the Goals of this *Watershed Agreement*.

# MS Placeholders

- MS implementation and evaluation period
  - Management Strategies, which are aimed at implementing Outcomes, identify participating signatories and other stakeholders, including local governments and nonprofit organizations, and will be implemented in **X-year (previously “2-year”) periods**.
  - The signatories and other partners shall thereafter update and/or modify such commitments every **X (previously “2”) years**.
  - Goal Implementation Teams will re-evaluate **with X frequency (previously “biennially”)** and update strategies as necessary, with attention to changing environmental and economic conditions.
