This meeting will be recorded for internal use to assure the accuracy of meeting notes.

AGENDA

1:00 PM **Welcome and Announcements – Peter Tango (USGS)**

- PSC Monitoring Report and Funding updates – network maintenance (Including Conococheague Creek), nontidal monitoring growth, brief insights on collaborator reports and publishing with USGS – Peter Tango, Mark Nardi
- SRS updates – Breck Sullivan
- Report out on USGS Chesapeake Bay workshop – Ken Hyer, anyone that attended too.

1:15 PM **Round Robin**

- Routine and storm sampling programs status this year

1:45 PM **Prioritization criteria/Recommendations for Network Edits**

- Decision criteria for ranking stations
- Report out - which station would you cut if you needed to?
- Which filters you'd like to see applied for the network optimization first run? (Future topic: Comparing network wide analysis results with state priorities)

2:15 PM **Field Audits – Durga Ghosh, Doug Moyer and Peter Tango (USGS)**

- What resources do we have through Nontidal Network for completing field audits? How can we help audit each other?

2:30 PM **Adjourn**
