

Nontidal Network Workgroup June 2026 Meeting

Wednesday, June 24th, 2026
1:00PM – 2:00PM

[Join the meeting via Microsoft Teams](#)

Meeting ID: 282 275 112 387 96 | **Passcode:** cB7hc9c3

Call: +1 469-208-1525 | **Conference ID:** 177 478 985#

[Visit the meeting webpage for meeting materials and additional information.](#)

This meeting may be recorded for internal use only to assure the accuracy of meeting notes. To turn on closed captioning, click on the three ellipses (More actions), then click on “Turn on live captions” (preview). To request accommodations, please contact Gabriel Duran at gduran@chesapeakebay.net.

Please read the following information carefully, as our meeting policies have changed:

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Teams. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Teams will be utilized to field participant questions.

Compromised Meeting Plan: If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

Agenda

I. Welcome, Introductions & Announcements (1:00 – 1:10)
Lead: Peter Tango (USGS), Chair.

II. CWGT Structure (1:10 – 1:30)
Description: An update will be provided on the Clean Water Goal Team structure which has STAR workgroups being moved under. Although the NTN WG will be sunset from the organizational structure, a team will remain essential in continuing to provide network operations and have more visibility in providing communication products on loads and trends related to

meeting the Water Quality, Standards Attainment and Monitoring Outcome expectations in the Watershed Agreement. A team or teams may be identified operating under either Data Analysis and Reporting WG and/or the new Monitoring WG. What will NTN look like moving forward? What would NTN members like to see?

Request Action: Discussion

Lead: Peter Tango (USGS)

Materials: Meeting webpage [here](#).

III. Management Strategies and Workplans (1:30 – 1:40)

Description: Goal Teams have been tasked with preparing and drafting Management Strategies and Workplans as part of the Watershed Agreement. NTN leadership is looking for feedback on workplans, specifically on necessary actions needed for the network, priorities (field sites/relocations), funding, interaction/connection with other groups, etc.

Request Action: Discussion, feedback.

Lead: NTN WG.

Materials: N/A.

IV. NTN Scope and Purpose (1:30 – 2:00)

Description: A proposal for how the NTN will operate under the new Clean Water Goal Team Structure with the 2025 Chesapeake Bay Watershed Agreement has been drafted. This time is to introduce the documentation with homework to take time to review and provide for feedback on the document between this meeting and the next. The proposal includes a purpose, objective, scope, leadership, membership and meeting frequency.

Request Action: Discussion, feedback.

Lead: Kaylyn Gootman.

Materials: Meeting webpage [here](#).

V. Adjourn (2:00)

Next Meeting: *TBD*.
