This meeting will be recorded for internal use to assure the accuracy of meeting notes.

**Closed captioning will be available for this meeting. To turn on the closed captioning, select the “cc” button in the bottom left corner of the screen. To show a live transcript of the meeting, go to the bottom right-hand corner of the screen and select “captions”.*

AGENDA

1:00 PM Welcome and announcements

1:15 PM Updates

- NTN funding “spaghetti”
- Updates on reconstruction of historic and current data sets
- Updates on RIM buildout
- Update on analysis of continuous monitoring data
- Small Ag. Watershed Monitoring Network Status
- Field audit funding update
- In-person autumn meeting planning?

1:30 PM Report out from data providers - all

Data providers will share their progress with data submission and any challenges to meeting the March 2024 deadline as requested.

1:55 PM Contingency plans for lab issues – all

Discussion of any group coordination needed in the event of unexpected lab issues, both short term and long term.

2:15 PM STAC funded meeting proposal

The NTN would like to put forward a proposal for a STAC funded meeting to share the RIM and NTN updates and discuss how to maximize the value of these data and what they’re telling us,

and how they can inform future of the Chesapeake Bay Program. The STAC proposals are now split into two time periods, so this would be submitted for the second deadline in summer 2024.

2:30 PM Adjourn

Next Meeting: April 24th, 2024 - Data Integrity lab members will be invited to participate in QA and final confirmation of the database.
