# What We've Heard—and Changed

- Desire for the Council to have more time for discussion among themselves.
- No outside speakers; give members and designees the opportunity to speak.
- Build in time to transition to public meeting.
- Added in time this year for the fourth Advisory Committee report.

## Other Activities for Public Attendees

- Poster session with revised Outcomes and Targets featured; subject matter experts on hand to answer questions.
- Exploring possibility of showing videos before public meeting starts.
- Looking into possible activities after the meeting to showcase restoration projects in Baltimore.
