# New Budget Reality / Uncertainty

- Unlikely to have 4 in-person meetings in the future
- Hoping to avoid all virtual-only meetings
  - What we learned from pandemic-time:
    - Hybrid meetings allows for more member participation
    - All-virtual meetings are possible, but...
      - miss the human elements: networking, connection
      - miss the local learning from places & people
      - meetings need to be shorter
      - temptation to multi-task is strong
