

Public Access Outcome

Olivia Wisner, Fostering Chesapeake Stewardship Goal Implementation Team Staffer

In Progress Science Need (Underway)

- Evaluate the accessibility of public access sites to underserved communities
 - ***Public Access Research - Benefits and Barriers Across the Watershed***
(FY20 GIT funded project)
 - Includes:
 - Demographic analysis of the Watershed
 - Quantitative Baywide survey
 - Qualitative focus groups and individual interviews
 - Recommendations

Status of the Resource	
	Full Resources
	Partial Resources
	No Resources

Unaddressed Science Need - Low Priority

- Identify public access sites and potential effects from climate change
 - How are existing sites going to be influenced by the coming consequences of climate change?

	Full Resources
	Partial Resources
✓	No Resources

Stewardship Outcome

Olivia Wisner, Fostering Chesapeake Stewardship Goal Implementation Team Staffer

Ongoing Science Need (Underway)

- Stewardship data collection support every 3-5 years.
 - **What actions are being done and what resources are being used to address it?**
ERG Subcontracted to OpinionWorks to collect the data

Status of the Resource	
<input checked="" type="checkbox"/>	Full Resources
<input type="checkbox"/>	Partial Resources
<input type="checkbox"/>	No Resources

In Progress Science Needs (Underway)

- Identify methods for advancing and incorporating social science into Bay Program work and decisions
 - ***CBP Social Science Assessment and Integration Road Map***
FFY20 GIT Funded Project, Amy Handen (lead)
 - Recommendations expected ~ summer 2022

Status of the Resource	
	Full Resources
	Partial Resources
	No Resources

New Science Need - High Priority

- 2022 Stewardship behavior data assimilation into chesapeakebehaviorchange.org
 - **What needs to be done to address it?**
Compare 2017 data to 2022 data, determine how to display that comparison on the site (coding)
 - **Who are the currently engaged resources?**
ERG has subcontracted OpionWorks to collect the data
 - **Are there potential resources and do you need support engaging them?**
CBP Webteam, yes
