

Indicator Update reminders

- Notify Indicators Coordinator (Katheryn Barnhart) when data is ready for update
- Use new data to update public-facing data file and A&M (ensure track changes are ON when updating the previous A&M document)
- Send both files to Indicators Coordinator
- Work with Indicators Coordinator to finalize indicator documents
- Web content specialist (Kaitlyn May) will then send a draft web text for your review
- Work with web content specialist (Kaitlyn May) on update to web text

More elaborate process can be found on the STWG website, in the Indicators Process document
