Please read the following information carefully, as our meeting policies have changed:

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Webex. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Webex will be utilized to field participant questions.

Compromised Meeting Plan: If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

Purpose: This meeting will convene the Fisheries GIT workgroups (*Chesapeake Bay Stock Assessment Committee, MD & VA Oyster Restoration Interagency Teams, Forage Action Team, & Fish Habitat Action Team*) and interested parties to recognize accomplishments and initiate our transition into the [Thriving Habitat, Fisheries, and Wildlife Goal](#) under the revised [2025 Chesapeake Bay Watershed Agreement](#).
