

Urban Stormwater Workgroup Meeting

Tuesday, June 18, 2019

10:00 AM to 12:00 PM

Conference Line: +1 929-205-6099 Meeting ID: 746 495 708

Zoom: <https://zoom.us/j/679285024>

10:00 Welcome and Review of April Meeting Minutes.

Tom Schueler, Acting Chair. Attach A.

10:05 Announcements and Updates

- BUBBAs Winners
- Fall CSN Webcast Schedule
- Shoreline Management Update
- Phase 3 WIP Plans Submitted by Bay States
- Thanks to Michelle Williams

10:15 Stream Restoration Verification Memo Tom Schueler, CSN (Attach B and C)

The comment period for the memo expired on June 1. A slightly revised memo is provided in Attach B and a summary of the memo and comments received can be found in Attach C.

Decision Requested: USWG members will be asked to approve the Stream Restoration Verification Memo.

10:35 Status of Outfall Restoration Memo K. Coffman/R.Cole, MD SHA (if available)

MD SHA will summarize their efforts to reach consensus among the group on the recommendations for outfall crediting, and next steps.

10:45 Status of Other Stream Protocol Groups D. Wood, CSN

David will summarize the progress being made by two groups that are revising protocols 1, 2 and 3, and discuss their work objectives for the summer and early Fall.

11:00 USWG Plan to Address Climate Change and Stormwater T. Schueler/ D. Wood
Attach D/E

CSN will summarize recent discussions at the Stormwater Retreat and CBP Management Board on developing better tools to help local governments improve climate resiliency in their stormwater design. CSN will discuss a draft proposal for WQGIT funding to develop idf curves for the DC Metro area (Attach D), and broader effort by the CBP and CSN to coordinate efforts on integrating climate resiliency into stormwater design (Attach E). USWG members will be asked for feedback.

11:30 Strategy for Crediting Enhanced Treatment in Bioretention and Ditches. Attach F

CSN will summarize research summaries to boost nutrient removal within existing bioretention areas, swales and ditch systems, and will present its strategy to develop guidance for boosting credits over the summer.

12:00 Adjourn
