This meeting will be recorded and distributed to workgroup members for reference. To turn on closed captioning, click on the three ellipses (More actions), then click on “Turn on live captions” (preview). To request accommodations, please contact Petra Baldwin at baldwin.petra@epa.gov.

Please read the following information carefully, as our meeting policies have changed:

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Teams. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Teams will be utilized to field participant questions.

Compromised Meeting Plan: If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

Purpose: This is the monthly meeting of the Urban Stormwater Workgroup. Main topics will include discussion and potential approval of the Phase 7 E3 Scenario assumptions, an update on two developed sector loading rate ratios, an introduction on utility-scale solar forecasts for the Phase 7 model, and an update on structure, governance and management strategy development within CBP and CWGT.

Agenda

I. Welcome and Announcements

(10:00 - 10:05 AM)

Norm will welcome meeting participants and call for the approval of the April 2026 USWG meeting minutes. David will share announcements. Additional announcements from workgroup members are welcome.

- MARISA's [IDF Curve Tool](#) is updated with a decision support guidance widget.
- A call for nominations for one at-large member position on the USWG is coming soon.

Requested Action: Decisional – approval of minutes.

Lead: Norm Goulet, USWG Chair

Materials: [April 2026 USWG Meeting Minutes](#)

II. Updates to the TCI and Compacted Pervious Loading Rate Ratios (10:05– 10:20 AM)

David will share an update to the developed sector land use loading ratios, driven by changes to tree canopy over impervious (TCI) and the new compacted pervious land uses. Further information was shared with USWG via email and is in this [memo](#).

Requested Action: Informational.

Lead: David Wood, USWG Coordinator

Materials: [Memo](#)

III. Phase 7 E3 Scenario (10:20 – 11:00 AM)

David will walk through an updated draft for Phase 7 Everything, by Everyone, Everywhere (E3) Scenario BMPs treatment assumptions for the developed sector for feedback and discussion from the USWG. If possible, we will seek approval at the meeting, or via email following the meeting. This recommendation, along with suggestion for base year, will be presented to the CWGT in August.

Requested Action: Decision – approval of recommended Phase 7 E3 Scenario assumptions for developed sector and recommendation for base year.

Lead: David Wood, USWG Coordinator

Materials: [Updated E3 Scenario Memo](#)

IV. 2040 Land Use Forecast (11:00 – 11:30 AM)

The CBP Land Data Team is developing a 2040 land use forecast for the Phase 7 model. USWG has been asked to review the utility-scale solar forecasts. Peter will provide an introduction at this meeting, with follow-up to seek approval at the September USWG meeting. This will also be presented to the LUWG on [June 17th](#), who is leading the review for the urban forecasts.

Requested Action: Informational.

Lead: Peter Claggett, USGS

Materials: [Presentation](#)

V. Structure, Governance and Management Strategy Updates (11:30 – 11:40 AM)

We will share updates on recent changes, discussions, and upcoming tasks related to structure, governance and management strategy development. The CWGT is holding a two-day meeting [June 22-23](#) with multiple discussions on these topics.

Requested Action: Informational.

Lead: Petra Baldwin, USWG Staffer

Materials: [CWGT Org Chart](#)
