10:00 AM **Welcome, Introductions, and Announcements**—*Tanya Spano (Chair)*

Action item: Approval of April WWTWG minutes.

10:10 AM **Boat Pump-Out Facilities BMP**

Since the last meeting, the Urban Stormwater Workgroup has deferred to the WWTWG regarding endorsement of the proposed BMP, and EPA has submitted formal comments. The Workgroup will hold an open discussion to consider EPA's comments as well as Virginia Beach's response. A final decision as to whether or not to endorse the proposed approach for crediting Boat Pump-Out Facilities within the Watershed Model will be made at a later meeting.

10:50 AM **Rapid Infiltration Project** *Greg Busch, MDE*

Greg will present a graphic representation of a Rapid Infiltration project in order to advance the discussion on whether or not it should be included in wastewater load tracking.

Action Requested: Workgroup discussion and recommendation on the Rapid Infiltration load tracking.

11:15 AM **Historic Data Cleanup** – *Ning Zhou, VT*

Ning will ask the jurisdictions to provide updates on their historic data cleanup efforts. WWTWG will have the opportunity to ask any questions about the process.

11:30 AM **Biosolids and Spray Irrigation Data** – *Ning Zhou, VT*

Ning will provide an update on the biosolids and spray irrigation data collection process and ask members if they have any questions about the process.

11:45 AM **Updates and other business**

- Peat Treatment Systems, and Shallow Place Pressure Dispersal BMP Panels – *Ning Zhou*
- Documenting Point Source Data Protocol – *Laura Free, EPA*

12:00 PM **Adjourn**
