10:00 AM      **Welcome, Introductions, and Announcements**—*Tanya Spano (Chair)*

**Action item:** Approval of December minutes.

10:10 AM      **Biosolids Ad Hoc Task Force** – Karl Berger, MWCOG and Ning Zhou, VT

Karl will discuss the proposed path forward for an ad hoc task force that will help inform how biosolids will be represented in the Phase 6 Watershed Model and Ning will discuss data needs from each of the jurisdictions. WWTWG will be asked to approve the proposed membership for the task force.

10:40 AM      **New Wastewater Sources** – Ning Zhou, VT

Ning will discuss the path forward for spray irrigation, rapid infiltration basins, and large monitored onsite systems including timelines and data needs.

11:15 AM      **Point Source Data Project** – Laura Free, EPA

Laura and Megan will update the WWTWG on an ongoing project on point source data that is fed into the Bay Watershed Model. They will refer to an approach proposed on the November 3<sup>rd</sup> WWTWG call, which outlines a pilot project with data from significant facilities and other facilities with data available in ICIS-NPDES. Laura and Megan will present a description of expected Level of Effort for this pilot, along with a tentative schedule for development.

**Decision Requested:** The WWTWG will review and approve the proposed Level of Effort and tentative schedule, given that the approach proposed on November 3<sup>rd</sup> received conceptual approval.

11:45 AM      **Updates and other business**

- WWTWG Planning Calendar – Tanya Spano, Chair
- WWTWG Membership – David Wood, CRC

12:00 PM      **Adjourn**
