

THIS MEETING WAS RECORDED

CHESAPEAKE BAY PROGRAM
WATER QUALITY GOAL IMPLEMENTATION TEAM
DECEMBER 13, 2021 | ACTIONS & DECISIONS
Meeting Materials: [Link](#)

Action: TCW will share the final PCB Monitoring Paper with the WQGIT once it is completed.

Action: Hilary Swartwood will send out the poll to the WQGIT voting members to confirm new WQGIT Chair and Vice-Chair, and at-large nominees. The poll will close on January 7, 2021.

Action: WQGIT members are encouraged to send feedback on the BMP Expert Panel Protocols to Lucinda Power by January 21, 2021. A webinar will be scheduled in mid to late February to go over the revised BMP Expert Panel Protocols. *[post-meeting update: the revised BMP Expert Panel Protocols were sent to the WQGIT for their review on January 12th. A longer presentation and discussion will be held during the March 28 WQGIT conference call]*

Action: The Phase 7 Development Team will review what they received during the October 2- day meeting and the one- on- one meetings with jurisdictions and generate an organizational chart (ex. GANTT) that details the timeline for each overall task and individual task. *[post-meeting update: organizational chart and additional materials were sent to the WQGIT on January 10th and can be found on the [January calendar page](#)]*
