

Selection of WQGIT and Workgroup Voting Members

Per the WQGIT Governance Protocols, voting members are defined as the signatory representatives of the Chesapeake Bay Watershed Agreement. For the Bay jurisdictions, a specific voting member is defined by the lead agency responsible for developing and implementing the WIPs and is a current, standing member of the WQGIT or a WQGIT Workgroup.

Action: Each lead agency/organization listed below will identify one representative and one alternate to serve as voting members on the WQGIT.

Action: The WQGIT voting members will identify the appropriate voting representatives and their alternates at the WQGIT Workgroup level.

- Chesapeake Bay Commission
- Commonwealth of Pennsylvania: *Pennsylvania Department of Environmental Protection*
- Commonwealth of Virginia: *Virginia Department of Environmental Quality*
- District of Columbia: *District of Columbia Department of the Environment*
- State of Delaware: *Delaware Department of Natural Resources and Environmental Control*
- State of Maryland: *Maryland Department of the Environment*
- State of New York: *New York State Department of Environmental Conservation*
- State of West Virginia: *West Virginia Department of Environmental Protection*
- For the United States of America: *U.S. Environmental Protection Agency*

Please note that WQGIT and Workgroup participants can be found via the following website, http://www.chesapeakebay.net/groups/group/water_quality_goal_implementation_team, and by clicking on the appropriate Workgroup membership list. It is the responsibility of the WQGIT member to confirm their Workgroup voting representatives and their alternates. They must be a standing member of the Workgroup, per the WQGIT Governance Protocols. The Workgroup voting member and alternate does not have to be representative of the lead agency listed above.

Water Quality GIT	Voting Member	Alternate Voting Member
