

**CHESAPEAKE BAY PROGRAM**  
**WATER QUALITY GOAL IMPLEMENTATION TEAM**

SEPTEMBER 24, 2018 ACTIONS AND DECISIONS

Meeting Materials: [Link](#)

**Decision:** WQGIT approval of extended timeline for development, review and stakeholder input of management strategy, logic table, and workplan for combined outcomes of 2017 WIPs, 2025 WIPs, and Water Quality Standards Attainment and Monitoring.

**Action:** The climate change narrative guidance for the Phase III WIPs will include the following edits:

- “BMP” references to include management actions beyond NPS—include wastewater practices
- Remove Part III header, move Part III content to a new section with introductory information and guiding principles to include in WIP narratives.
