Workgroup Updates (others)

open to Chairs or Coordinators to add more

Watershed Technical

Met April 3 and heard a proposed change to the methods for the application of upland buffer credit for Phase 7. Discussion will continue at the May AgWG before returning to the WTWG in June for decision.

Next meeting May 1st, 10am-12

Toxics

Met April 9th and discussed outcome revisions and potential future topics

PFAS quarterly is May 14th at 1PM

Federal Facilities

Met April 8th

Next meeting June 10, 10AM – noon

Land Use

Met on March 19; Heard presentations on the recommendations for the Phase 7 rollup, results of the accuracy assessment for the 2024 LULC data, and the forecast overview for Phase 7

Next meeting June 18th

Milestones

Met April 7th to discuss key elements to include in a Near Term Milestones Expectations document. Feedback was compiled and sent out to group members to review.

Next meeting TBD in May
