|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| 9:00 am | Welcome and Introductions | Rebecca Hanmer, Chair |
|
 | | |
| 9:10 am | Ecosystem Services | Elliot Campbell, MD DNR |
| | Elliot Campbell of MD DNR will present on his efforts to quantify the value of ecosystem services in Maryland and discuss some of the public-private funding mechanisms that have been used for water quality restoration in the state. Discussion to follow. | |
|
 | | |
| 9:45 | Secondary Land Uses | Sally Claggett, Coordinator |
| | There will be a discussion of the proposal for new, secondary land uses from the Land Use Workgroup (LUWG). Several of these involve forestry issues. Some decisions on mapping these land uses will be made in November, but there will be a more in-depth discussion when the FWG joins the LUWG at our first joint meeting in Annapolis on Wednesday, December 4. | |
|
 | | |
| 10:00 am | Round robin updates | |
| | Please share a brief overview of what's going on in your organization. | |
