This meeting may be recorded for internal use only to assure the accuracy of meeting notes. To turn on closed captioning, click on the three ellipses (More actions), then click on “Turn on live captions” (preview). To request accommodations, please contact Caroline Kleis ([Kleis.Caroline@epa.gov](mailto:Kleis.Caroline@epa.gov)).

**Please read the following information carefully, as our meeting policies have changed:**

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Teams. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Teams will be utilized to field participant questions.

**Compromised Meeting Plan:** If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

**Purpose:** To update AMT members on the status of model development, its impact on the AMT's anticipated data review, and to go over the current expectations for the Phase 7 AMT review at subsequent meetings.

# Agenda

## I. Introduction & Announcements

(09:00 – 09:15)

The AMT is on track to review Phase 7 data; however recent partnership decisions have been made which have implications for the timing of this review. We would like to highlight several areas where members can see firsthand where these decisions are being made. Several upcoming forums include:

- [October](#) and [November](#) Clean Water Goal Team (CWGT) meetings
- [October](#) and [December](#) Modeling Workgroup meetings

Requested Action: NA

Lead: Zach Easton, VT; Tom Butler, EPA

Materials: Links listed above

## II. General Updates

(09:15 – 10:25)

We will go over the current expectations for the Phase 7 AMT review. This is designed to ensure that the existing review expectations match the newly required partnership workplan structure. Feedback is welcome to help formally codify what is expected of members during the review process. We will also provide context for relevant meetings across the partnership regarding model development which will have an impact on data availability for our reviews.

Requested Action: Group Discussion and feedback

Lead: Tom Butler, EPA
