

**Management Board Meeting**  
**December 11, 2025**  
**Actions & Decisions**

**IV. Governance, Structure and Management Strategies**

**Action:** The CBPO-EPA team will share a draft writing plan and consultation framework for discussion and feedback at the January 15th meeting. The framework would be co-developed by the Signatory team and will identify existing meetings and potential opportunities to include feedback and perspectives to the Signatory team.

**V. STAC Report Response**

**Decision:** The Management Board agreed to support the [Draft Management Board Response](#) to the STAC Report: [Leveraging Artificial Intelligence and Machine Learning to Advance Chesapeake Bay Research and Management: A Review of Status, Challenges, and Opportunities..](#)
