

## Urban Stormwater Workgroup

Tuesday, February 17<sup>th</sup>, 2026  
10:00 AM – 11:20 AM

[Join the meeting via Microsoft Teams.](#)

**Meeting ID:** 250 119 061 384 25 | **Password:** tr7QE3Cv  
**Call in:** +1 202-991-0477 | **Phone Conference ID:** 651 707 03#

[Visit the meeting webpage for meeting materials and additional information.](#)

This meeting will be recorded and distributed to workgroup members for reference. To turn on closed captioning, click on the three ellipses (More actions), then click on “Turn on live captions” (preview). To request accommodations, please contact Petra Baldwin at [baldwin.petra@epa.gov](mailto:baldwin.petra@epa.gov).

**Please read the following information carefully, as our meeting policies have changed:**

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Teams. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Teams will be utilized to field participant questions.

**Compromised Meeting Plan:** If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

**Purpose:** This is the monthly meeting of the Urban Stormwater Workgroup. Main topics will include a presentation and discussion on E3 (Everything, by Everyone, Everywhere) Scenario Development and a presentation and discussion on funding and technical assistance through EPA for stormwater projects.

## Agenda

- I. Welcome and Announcements (10:00 - 10:10 AM)**  
Norm will welcome meeting participants and call for the approval of the December 2025 USWG meeting minutes. David will share announcements, including the ones provided below. Additional announcements from workgroup members are welcome.

- Mapping of BMPs to Load Sources was approved via email vote.
- Beyond Bean Counting Final Report
- RAND Vulnerability Guidance Document
- Land Use Time Series Data Review Office Hours – [Tuesday, March 3<sup>rd</sup> at 1-3pm](#)
- Local Government Leadership Workgroup – [Thursday, March 5<sup>th</sup> at 9:30-11:30am](#)
  - Theme: Building Local Resilience - Innovative Approaches to Managing Stormwater, Mitigating Flooding, and Reducing Pollution
- CSN is hosting a [Winter Webinar Series](#) on upcoming Tuesdays at 12pm.
  - Updating Urban Fertilizer Management – [February 24<sup>th</sup>](#)
  - Creative Funding Models for Watershed Management – [March 3<sup>rd</sup>](#)
  - Assessing the Effectiveness of Green Stormwater Infrastructure – [March 10<sup>th</sup>](#)

Requested Action: Decisional – approval of minutes.

Lead: Norm Goulet, USWG Chair

Materials: [December 2025 USWG Meeting Minutes](#), [Vulnerability Guide](#)

- II. E3 Scenario Development Introduction** **(10:10 – 10:45 AM)**
- Auston will give an overview of No Action and Everything, by Everyone, Everywhere (aka “E3”) Scenarios, which are needed for setting planning targets. Norm and KC will lead a discussion on how USWG did this work in the past and considerations for how the USWG should develop inputs for these scenarios for the developed sector for Phase 7.

Requested Action: Informational.

Lead: Auston Smith, EPA CBPO

Materials: Presentation, Phase 6 Reference Materials, New BMP List for Consideration

- III. Stormwater Funding and Technical Assistance Opportunities** **(10:45 – 11:15 AM)**
- Travis will introduce funding and financing programs available through EPA – the Clean Water State Revolving Funds (CWSRF), the Water Infrastructure Finance and Innovation Act (WIFIA) program, and the Sewer Overflow and Stormwater Reuse Municipal Grants (OSG) program – all able to support urban stormwater projects. He will also discuss technical assistance available to local jurisdictions in addressing their stormwater technical, managerial, and financial challenges.

We will have time for questions and discussion. Please come prepared by considering the below.

- ***Request for state participants:*** Talk with staff in your state’s CWSRF program about using CWSRF and OSG funds for urban stormwater.
- ***Request for all participants:*** Discuss with staff from local jurisdictions the challenges in the urban stormwater sector and assistance desired to address those challenges.

Requested Action: Informational, for discussion.

Lead: Travis Ostrom, EPA Office of Water

Materials: Presentation

- IV. Wrap-Up** **(11:15 AM – 11:20 AM)**
- Lead: Petra Baldwin, USWG Staffer

- V. Adjourn** **(11:20 AM)**

**Next Meeting:** [Tuesday, March 17<sup>th</sup>, 10 am – 12pm](#)
