

Local Leadership

RECENT PROGRESS
INCREASE

OUTLOOK
ON COURSE

Continually increase the knowledge and capacity of local officials on issues related to water resources and in the implementation of economic and policy incentives that will support local conservation actions.

- Two indicators that aim to measure knowledge of resource regulations and reported conservation actions by local officials within the Bay watershed.
 - Average uncertainty by community size and by time in office.
 - % of local officials reporting water resource activities in last three years.
- Baseline status and indicators developed in 2022. Biennial Survey. 189 total respondents.
