This spreadsheet offers a snapshot of the **size and makeup** of **Chesapeake Bay Program groups.**

It was created using data from the ChesapeakeBay.net content management system.

Why does this report matter?

This information allows us to:

- Review the **accuracy** of our member lists.

- Show how different signatories and federal agencies are formally **involved** in the partnership.

Caveats

- This data does **not** indicate **level of activity** or overall **engagement.**

- If a content editor has made an **error** or **omission,** that error or omission will be reflected here.

- Membership data may have been **updated** since this spreadsheet was produced.
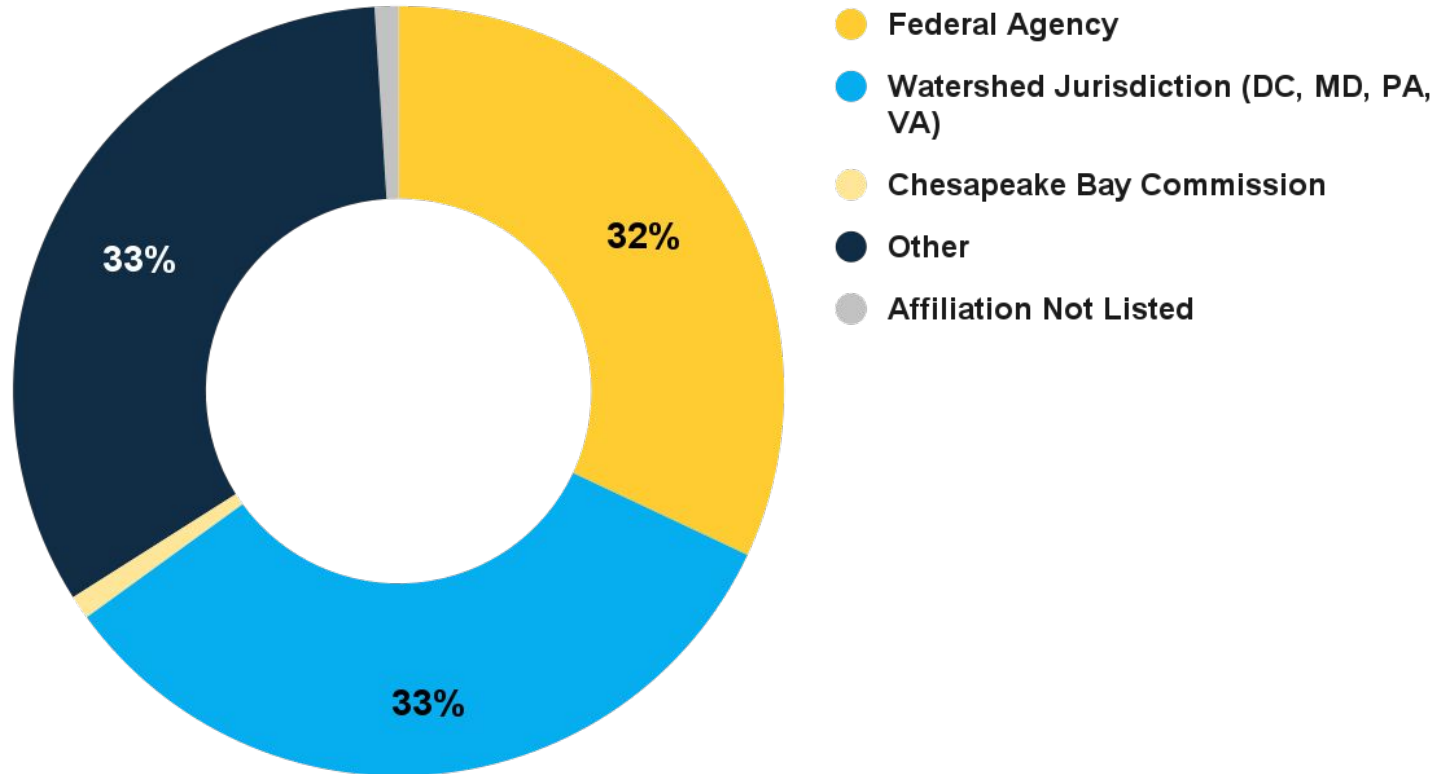

Insights

290

Agencies or Organizations Involved in At Least One Group
