

## LLWG & TCW October 21 Meeting – Networking & Collaboration Follow-Up

Thank you for attending the joint Local Leadership Workgroup (LLWG) and Toxic Contaminants Workgroup (TCW) meeting on October 21. Use this form to:

- Request connections with members you met during the meeting
- Share additional ideas on challenges or opportunities concerning PFAS policy and management
- Suggest collaborations or coordination you'd like to see happen with either TCW or LLWG, across the partnership

We'll help connect you with members who share similar interests or expertise.

Please email all completed forms to Rick Mittler and Erin Sonnenburg by 10.31.25
