

## **Thriving Habitat, Fisheries & Wildlife Goal Team Meeting**

September 17, 2026  
1pm - 4pm

**Purpose:** This meeting convened the CBP's Thriving Habitat, Fisheries & Wildlife Goal Team to review the Goal Team's membership and hear progress updates from each workgroup.

### **Actions and Decisions**

#### **III. Outcome Management Strategy Review**

Lead: Becky Gwynn (VDWR) & Kevin Schabow (NOAA)

Actions:

1. GT members to review the THFW GT Management Strategy and provide comments & feedback by COB Friday, September 25th
2. GT leadership team to verify all signatory representatives for all workgroups
3. GT leadership team to standardize MS subchapters and how the "under sphere of influence" section is answered/interpreted across all subchapters, to provide answer to coordinators by September 25th

#### **IV. Discussion**

Lead: Becky Gwynn (VDWR) & Kevin Schabow (NOAA)

Actions:

1. GT leadership team to send editable draft of MS to GT members eligible to comment after this meeting
2. GT Signatory representatives brief their PSC member or designee about the MS prior to November 5th PSC meeting
3. GT leadership team to send out poll to members in order to schedule our next few meetings, in alignment with deadlines we will have for actions/materials that go to the PSC
4. GT leadership team to help GT signatory representatives identify their PSC representative, as requested.
5. Internal THFW GT MS Timeline:
  - a. 09/25: GT Members provide feedback on the MS document.
  - b. 09/25 - 10/09: GT Chairs and workgroups will address comments.
  - c. 10/09 - 10/18: GT Members will review revised MS sub-chapters.
  - d. 10/19: GT Members consensus via email on status of MS draft.
  - e. 10/22: Compiled and reviewed MS document submitted to the PSC.

**V. Wrap-Up**

Lead: Becky Gwynn (VDWR) & Kevin Schabow (NOAA)

Actions:

1. GT leadership team to develop and clarify internal GT deadlines for completing updated MS drafts and workplans between now and June 30, 2027
