NFWF and EPA CBP opportunities

Small Watershed Grants Program is currently soliciting proposals; applications are due noon Tuesday May 13th.

A recorded webinar detailing the SWG program RFP will be available on the Small Watershed Grants [program page](#) by Monday March 31.

NFWF expects to release the **2025 Chesapeake WILD** Request for Proposals in the coming weeks and will send a follow-up announcement once the RFP is live. Interested applicants should prepare to submit full proposals no later than **12:00PM Tuesday, May 13, 2025**. Final award decisions are anticipated in August 2025.

New Toxic Contaminants Workgroup Coordinator: Keith Bollt, EPA
CBPO
